

Welcome to

Second International Conference on
Countermeasures to Urban Heat Islands

Berkeley, CA
20-23 September 2009

Sponsors

- Bay Area Air Quality Management District
- California Air Resources Board
- California Energy Commission
- Cool Roof Rating Council
- Osaka Heat Island Measures Technology Consortium (HITEC)
 - Daikin Industries, LTD
 - Nippon Paint Company, LTD
 - Miki Coating – Design Office
- Pacific Gas and Electric Company
- Southern California Edison Company
- South Coast Air Quality Management District
- An anonymous major sponsor

Conference Organizing Committee

- Akbari, H. (USA)
- Ashie, Y. (Japan)
- Berdahl, P. (USA)
- Haghghat, F. (Canada)
- Ihara, T. (Japan)
- Lashgari, A. (USA)
- Levinson, R. (USA)
- LI, Y. (Hong Kong)
- Moriyama, M.(Japan)
- Mueller, M. (USA)
- Ng, E. (Hong Kong)
- Ooka, R. (Japan)
- Pomerantz, M. (USA)
- Rosenfeld, A. (USA)
- Santamouris, M. (Greece)
- Scruton, C. (USA)
- Stoop, J. (USA)
- Taha, H. (USA)
- Tan, H.W. (China)

Conference staff

- Pomerantz, M. (LBNL); conference director
- York, T. (LBNL); conference services
- Minamihara, M. (LBNL); conference staff
- Jarvis, S. (LBNL); webmaster
- Ma, A. (LBNL); Design artist
- Administrative staff of LBNL

- 12:30 – 1:30 pm: Lunch (Buffet style served in the conference area)
- 1:30 pm: Conference Closes

We all believe

- Heat island mitigation saves energy and money
- Improves ambient air quality
- Cools the globe

Hence, let us organize the 100 largest cities in the world to initiate “100 Cool Cities Program”

Enjoy the Conference
